Basic requirements to register on CourseCompass (Mymathlab)-
· An email address - Richland provides it.
· A Student Access Code - It comes with the text. If you already have the text you can purchase it online by contacting the publisher.
· The Course ID for the CourseCompass (Mymathlab). I have to provide the Course ID.

How do students know what to do?
In order to take the chapter tests students must register with the CourseCompass (MyMathlab). After you receive the access code (it comes with the text) go to this site to register: http://students.pearsoned.com. Online help is also available for guidance during the online registration process. If you have any difficulty, let me know soon.

CourseCompass (MyMathlab) System Requirements-
Your computer must meet some basic requirements for registering on Mymathlab. If you have any difficulty to register or use the system, call 1-800-677-6337. Staff is available to troubleshoot your technical problem Monday through Friday, from 9 AM to 6 PM Eastern time.
