

# Math 116 - Videotapes

There are videotapes for Math 116, College Algebra, on reserve in the Kitty Lindsay Learning Resources Center (LRC). These videos are from the 1<sup>st</sup> edition of the Larson and Hostetler Graphing Calculator textbook, however, and do not exactly match the current 2<sup>nd</sup> edition text.

Use the table to match the section from the textbook with the videotape on reserve. Sections without a tape number are not covered in the videotape series.
