

## Steps to Register for MyMathLab

- Go to [www.coursecompass.com](http://www.coursecompass.com)
- Under students click **Register**
- You need a valid email address your access code and my course ID  
Use your Richland e-mail account
- Click next to, “No, I am a new user”
- Type in your access code
- Type in the school zip 62521
- Click on the school’s country
- Click Next
- Type in the course ID *Changes per instructor – instructor will provide –*
- *Write down Course ID \_\_\_\_\_*
- *Write down the access code here \_\_\_\_\_*
- Click Next
- Type in your name, email, school name – Use your Richland e-mail
- Fill in a login, password, and security question.
- Agree to the conditions
- Click Next
- You are now enrolled, click **Log In Now**
- At home you might have to go through the installation wizard but it has already been done for you at RCC
- Click on **Do Homework**, notice the options for help (help me solve this, view an example, video, textbook pages)
- At the bottom are the buttons clear answer and check answer
- To enter an answer, click inside the box, type your answer and then click on check answer.
- Notice the tool bar to the left with options for answers not on the key board.
- Click on Chapter Contents
- Click on how do I enter answers
- Take an online tour of **How to Enter Answers Using the Math XL Player.**
- After your tour, click on take a test. These are practice tests for you to take. After doing all the homework in a chapter, you take the practice test. After the practice test, a student can go to Study Plan. This will show you what you need more practice in and what you have mastered.
- **For more help, you can go to Course Contents and then MyMathLab student help, or get a tour from [http:// mymathlab.com/tours.html](http://mymathlab.com/tours.html)**
- **For technical assistance call 1-800-677-6337 Monday thru Friday 8am-8pm EST, Sundays 5pm-12am EST**
